Canto 250msd is a small, compact yet powerful discharge followspot, the ideal choice for clubs and smaller venues.

It features a double condenser optical system, integral ballast unit with on/off switch and double microswitch interlock for safe lamp replacement. It also includes as standard a colour frame, iris diaphragm, black-out mechanical dimmer, a 28mm diameter spigot for mounting on a stand and 6ft main cable. A five-color colour changer unit is available as an optional extra.

Questo piccolo seguipersona da 250W per lampade MSD è la scelta ideale per club, scuole e piccoli ambienti. Dispone di doppio condensatore ottico, ballast incorporato, interruttore on/off e doppio microinterruttore di sicurezza.

Fornito di serie completo di telaio portagelatina, diaframma ad iride, dimmer meccanico, perno per stativo ø28mm e 1,5m cavo di alimentazione.

E' inoltre disponibile come accessorio un cambia-colori manuale a 5 colori.
