

ALBA

High-power 200W LED truss spot 3200K warm white or 5600K cool white

A range of low energy, powerful zoom profile spotlights incorporating a 200W LED source in a choice of colour temperatures, and with an internal PWM variable power supply.

The Alba's excellent optical performance and beam control is the result of LDR's well-proven high-quality double condenser zoom optical design.

Alba addresses many of the energy issues associated with traditional filament spotlights: energy consumption and heat dissipation, power restrictions, maintenance and high running costs.

ORDERING CODES

01203020 Alba 8/22 W: 3200K warm white

01203120 Alba 8/22 C: 5600K cool white
throw: 6-50 ft net weight: 36 lbs

01203030 Alba 18/36 W: 3200K warm white

01203130 Alba 18/36 C: 5600K cool white
throw: 6-50 ft net weight: 36 lbs

01203040 Alba 30/55 W: 3200K warm white

01203140 Alba 30/55 C: 5600K cool white
throw: 6-30 ft net weight: 35 lbs
